

ANTHONY UPDATE

Our MRT Slide Runners **Run & Run & Run**

Look inside the vertical rails of our Magnum RailTrac® liftgate. You won't see rollers or bearings that are maintenance headaches. What you will find are heavy-duty slide runners that are service-free and have a lifetime warranty.

MOST reliable - Maintenance-free sliders keep on working, day after day, year after year. No rollers and bearings to routinely inspect, clean, lubricate, and replace.

SIMPLE design - No moving parts. Nothing to wear out. Lifetime warranty on slide runners. You'll save thousands of dollars on replacement parts over the life of your liftgate.

LOWEST owning & operating COSTS - Less time spent on daily maintenance and less downtime for service and replacement of worn-out parts translates into more dollars in your pocket.

For more information about our Magnum RailTrac® slide runners or any other quality standard feature, call Anthony Customer Support at (815) 842-3383 or fax us your request at (815) 844-3612. Be sure to visit our web site at www.anthonyliftgates.com and check out our on-line parts and service manuals.
