

ANTHONY UPDATE

New LED Bright-Light

Magnum RailTrac[®] offers new LED Vehicle Safety Lighting Systems

- **High Visibility** - Brighter, safer, light up faster than incandescent. Advanced optics create a greater dispersion of light.
- **Less Current** - LED lights draw less current, allowing more power for other truck requirements.
- **Cool Running** - LED lights won't heat up, even when truck is backed up against dock seals.
- **Weatherproof** - Electronics are completely sealed in epoxy to resist corrosion and moisture.
- **Lifetime Warranty** - Resistant to shock and vibration, our LED lights have a Lifetime Systems™ Warranty (warranted by Truck-Lite, the leader in LED lighting).
- **Fit 'N Forget** - Water-tight, plug-together, sealed harness system.
- **Easy Installation** - Bolt-on configuration.
- **Readily Available** - At trailer parts dealers.

For more information about our new LED Lights or any other quality standard feature or option, call Anthony Customer Support at (815) 842-3383 or fax us your request at (815) 844-3612. Be sure to visit our web site at www.anthonyliftgates.com and check out our on-line parts and service manuals.
