

ANTHONY UPDATE

RUBBER DOCK BUMPER PADS

Rubber bumper pads for all Tuckunder™ and Magnum Tuckunder™ series liftgates have been replaced.

The new design features:

- 150% longer rubber impact surface
- A more flexible rubber compound
- Full-length internal steel reinforcement plate
- Two additional attachment points

OLD

NEW

Both the old style (ATU-793 8" rubber bumper) and the new style replacement kits will be available for service.
